

### DIRECTIONS TO FAIRHOPE FALLS

From US 98/Greeno Road, just north of Fairhope, take AL 104 east toward Silverhill for approximately 5 miles. Watch for a green-colored house with a metal roof in an overgrown field on your right. Entrance to Fairhope Falls is just past this. There is a large sign – but no name on the sign. Park along the road just inside the entrance, and wait for the guide and rest of group.

WAIT FOR GUIDE BEFORE VENTURING OUT.
